CUSTOM COCKTAILS	
There are tens of thousands of cocktails out there and an equal number of ways to make each one, for example - did you know there are 23 standard ways of making a martini? not to mention the 100's of variations on those 23 types!	
We understand this more than anyone so that is why we offer the chance for you to fully customise your menu with any cocktail. Whether it was missing from our catalogue or you want to let your creative streak show with a cocktail you have crafted yourself, Monty's will endeavour to craft your perfect menu.	
Prices vary depending on the type of cocktail you're after so please get in touch to discuss your vision with one of our team!
